serving utensils

Impress your guests and serve food everyone can't get enough of.

Simply the best tasting grab and go catering anywhere.

48 hour notice please

THE OTHERDOOR

CATERING MENU

our secret is old...
we want things the way
they were before.

150 years ago, there was no
such thing as "organic",
they simply called it "food".

we buy from farmers who give a damn
about how they grow what you eat.

so do we.
